Berkeley County Foundation for Education

Dear foundation members,

I would like to express my appreciation for making it possible for my daughter and the rest of her class to be able to choose a book to take home to read every night. My daughter loves our reading time especially because they are her "school" books and most of them are different from the books we have at home. I have four children under the age of seven at home and it's not always easy to get to the library so, it's very convenient to have new books sent home every day. Again, thank you so much for making this possible!

Sincerely,
